**MINNESOTA DEPARTMENT OF HEALTH ESTABLISHES MAXIMUM
CHARGES FOR COPIES OF PATIENT RECORDS FOR 2009**

The Minnesota Department of Health (“MDH”) mandated the maximum copying charge per page for patient records for the calendar year of 2009 is \$1.22, with an additional retrieval charge of \$16.03. The MDH computes a new copying charge and retrieval fee every year pursuant to Minn. Stat. § 144.292, subd. 6.

Please refer to the MDH table located at:

<http://www.health.state.mn.us/divs/hpsc/dap/maxchrgall09.pdf> for maximum copy charges and retrieval charges for calendar years 1992 – 2009.

This letter, and State of Minnesota, Court of Appeals, and Supreme Court opinion updates, are available in .pdf form on the News and Resources page of our Firm’s website: www.johnson-condon.com. If you have any questions, please contact us.
